

VETERAN BANNER PROJECT

LUVERNE INITIATIVES FOR TOMORROW DESIGN COMMITTEE

is proud to announce an opportunity to honor the service of past and current veterans.

Beginning in 2020, parents and supporters have purchased and banners honoring graduating seniors on Main Street in Luverne. This year, the banner sponsors have asked that the Senior banners be returned to them by the end of June.

The LIFT Design Committee has been tasked to provide ideas and input to the City on what banners should be put up after the student banners are removed. The Committee has decided that Luverne should replace those banners with banners of **ROCK COUNTY SERVICE MEMBERS.**

Over the past four months, this project has been developed that allows veterans, families and friends to honor current and past service members by purchasing banners that will be placed on the light poles on Main Street from approximately July 1st through the end of the banner season (mid to late October). The banners will then be returned to the purchaser. 82 spots will be available annually. The cost of the banner is \$120.

One side of the banner will have the photo and info of the veteran and the other side of the banner will say "Thank You for Your Service."

Let's thank the brave men & women from Rock County who have served with a banner!
