FEATURING TRENTON BASS OF GAME PLAN 4 HOPE

Trenton Bass, from Hills, Minnesota, was injured in a football game during the second game of his senior year at the age of 17. In one play ... one second ... his life changed forever.

Game Plan 4 Hope was started in September 2019. It rose out of the hearts of two families who have been through life-altering experiences and felt the need to help others that are going through similar situations. Their mission is to assist families whose lives are in despair because of a life changing event by providing a Game Plan 4 Hope, bridging the gap for directional, spiritual, emotional and physical needs.
